

Value Adding Supply Chain

Wednesday 13th June at Cranfield School of Management, Milton Keynes

£99 + VAT

Gain insight into the drivers of Value Creation!

This seminar has been designed to provide an insight into Value Creation and how the Supply Chain can contribute.

The seminar will cover the concepts behind Value Creation (without attending a corporate finance course!), and then address different supply chain subjects such as the impact of inventory management, lean, demand management and others on corporate value creation.

The seminar will cover:

- Concepts behind value creation;
- Discover how your Supply Chain can add significant value to your business;
- Discuss the impact of Inventory Management, Planning, Demand Management and Service Level Differentiation on corporate value creation.

Programme:

> 09.00 – 09.30 Arrival & Registration

> 09.30 – 12.30 Presentations & Interactive Concept Discussion (including break for networking and refreshments)

> 12.30 Finish & Lunch
